

CSRP Project News

MESSAGE FROM THE GENERAL MANAGER

After many years of work, Chatfield Reservoir Mitigation Company will hold a Public Open House on the Chatfield Storage Reallocation Project on Tuesday, May 30, at ThunderRidge High School in Highlands Ranch. Time will be 5:00 p.m. to 7:30 p.m. We hope you will be able to attend.

This will be an opportunity for you to see renderings and learn about the final designs for recreation facilities modifications and environmental mitigation projects being planned for Chatfield Reservoir and the surrounding State Park. Consultant firms working on these designs, plus the U.S. Army Corps of Engineers, Colorado Water Conservation Board, Colorado Parks and Wildlife and the participating water districts will have representatives there.

Attendees will have a chance to see the final designs for recreation facilities modifications and environmental mitigation projects being planned for Chatfield Reservoir and the surrounding State Park. Once the modifications are complete, the Chatfield Reservoir participating water districts will be able to store up to 20,600 acre feet of additional water.

CHATFIELD STORAGE OPEN HOUSE REALLOCATION PROJECT

*Rediscover
Chatfield!*

The Chatfield Reservoir Mitigation Company (CRMC) is holding an Open House for the public to see final designs for the recreational modification and environmental mitigation projects that will be undertaken at Chatfield State Park. CRMC engineering and design consultants will be in attendance to provide information and answer questions about the projects that will be undertaken as part of the Chatfield Storage Reallocation Project.

**TUESDAY, MAY 30, 2017
5:00PM – 7:30PM**

ThunderRidge High School
Commons Area (cafeteria)
1991 Wildcat Reserve Parkway
Highlands Ranch 80129
