Completed from Deer Creek to Fox Run by December 2018. Due in part to Xcel Energy’s gas line relocation. The trail system is anticipated to be opened.

The reopening of recreational trails along the west side of the park have been delayed. The perimeter road from Jamison Day Use Area to the Park Headquarters is planned to reopen by October 1, 2018. As of August 10, 2018, Plum Creek Day Use Area is closed. It is anticipated to reopen by May 24, 2019. Plum Creek will continue until November 1, 2018. The recreational trail is anticipated to reopen by May 1, 2019. All landside facilities at the Marina will close for construction on September 15, 2018. Both are anticipated to reopen by May 24, 2019. The closure will be in effect from August 1 to September 14, 2018, with an anticipated reopening date by May 24, 2019. The trail will be closed from August 1 to September 14, 2018. The parking lots and access to the shoreline are on track to reopen by October 1, 2018. Swim Beach (within Plum Creek Nature Area) is typical closed between December 1 and March 1 of each year. Please visit CPW’s boating page at: http://cpw.state.co.us/placestogo/parks/Chatfield/Pages/Boating.aspx for regularly updated information on construction activities and closures.

To give the revegetation efforts the best chance to establish, landscaping and seeding activities have been scheduled for shortly after Labor Day. As such, Jamison Day Use Area is anticipated to remain closed until Fall 2018. While the area will be open, the new facilities will remain closed. The Campgrounds, Model Airplane Runway, and Park Headquarters will only be accessible via the Park’s South Entrance off Titan Road and North Roxborough Road. Jamison Day Use Area is planned to reopen by October 1, 2018. Due to a conflict with the relocation of Xcel Energy’s gas line, Catfish Flats and Fox Run Day Use Area is planned to reopen by October 1, 2018.

Due to a conflict with the relocation of Xcel Energy’s gas line, Catfish Flats and Fox Run Day Use Area are anticipated to reopen by December 1, 2018. The trail system is anticipated to be opened.

Some landside facilities at the Marina will remain open throughout construction activities. However, please note that daytime construction activities will not occur during the South Boat Ramp for the month of October and up until September 14, 2018. The new South Boat Ramp is scheduled to reopen by May 1, 2019.

The Civil work has been completed, however, extensive revegetation efforts along Plum Creek Trails (within Plum Creek Nature Area) are anticipated to remain until Spring 2019.

Kingfisher Day Use Area and the Gravel Pond will be closed for construction beginning September 15, 2018 and is anticipated to reopen by May 24, 2019. The closure will be in effect from August 1 to September 14, 2018. The parking lots and access to the shoreline are on track to reopen by October 1, 2018. Swim Beach (within Plum Creek Nature Area) is typical closed between December 1 and March 1 of each year. Please visit CPW’s boating page at: http://cpw.state.co.us/placestogo/parks/Chatfield/Pages/Boating.aspx for regularly updated information on construction activities and closures.
